

# YES: Local Alpine Park

Incorporate the natural elements already existing in the area.

Nature-based passive park at the location adjacent to Wright's Field Ecological Preserve.

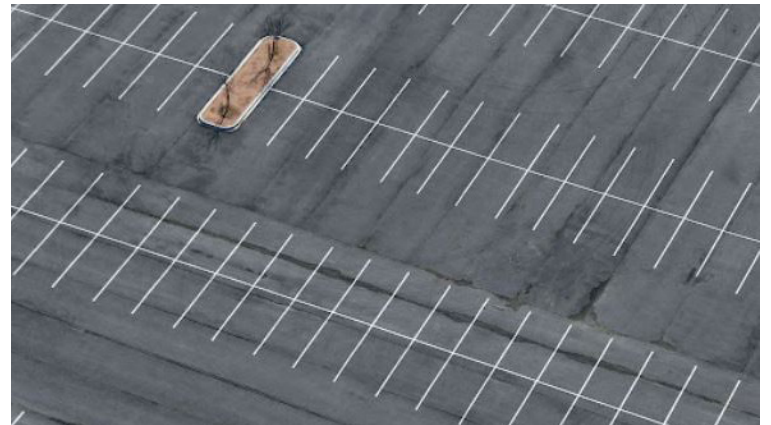

# NO: Sports Complex

Destruction of natural landscapes with an all concrete skate park.

Destruction of natural landscapes with over 250 parking spaces.

San Diego County Parks and Recreation has published the Draft Environmental Impact Report for the proposed County park which describes the effects this development will have on the location and surrounding community.

Public Comments in response to the Draft Environmental Impact Report are due November 15! Your feedback matters!

Preserve Alpine's Heritage has hired an environmental firm to analyze and write an official response.
