

Yes: Local Alpine Parks

No: Sports Complex

Alpine deserves better than the \$28-million, 26-acre, all-in-one park proposed for the area next to Wright's Field Ecological Preserve off South Grade Road. There are simply too many serious concerns and unanswered questions.

Instead, let's bring the community together with a network of smaller, local Alpine parks that offer unique recreational activities throughout town, connected by a system of safe walkways, bike paths, and trails.

Join us in supporting parks that enhance, not overwhelm, all that makes Alpine so special!

Preserve Alpine's Heritage (non-profit status pending) is a group of dedicated community advocates representing all areas and demographics of Alpine. We promote meaningful collaboration and creative partnerships with public representatives and other stakeholders. We embrace a diversity of views as we work toward the common goal of designing innovative, sustainable, and financially-responsible solutions that bring desired facilities and services to Alpine, while enhancing and preserving the unique natural, cultural, and rural heritage of our community.
